Lina Ngubombi

Full Stack Developer

PROFILE

Motivated Full Stack Developer with hands-on experience in JavaScript, Node.js, and modern web technologies. Strong foundation in building scalable, responsive applications and collaborating in agile teams to deliver real-world solutions.

EXPERIENCE

Full Stack Developer (Junior)
2026 — Present

LC Studio

- Built full-stack applications and REST APIs using Node.js, Express, and SQL.
- Collaborated on scalable, cloud-deployed solutions across Azure and AWS.
- Worked in agile sprints to ship features and resolve issues quickly.

Web Development Trainee
2025

Life Choices Academy

- Delivered multiple real-world web projects working in agile teams.
- Practiced clean code, version control with GitHub, and code reviews.
